The George Alexander Gibson Lectureship

In the year 1913, several friends of the late Dr. George Alexander Gibson, a former Fellow and Secretary of the College, desirous of erecting a suitable Memorial to him, raised a fund of £900 with the object of establishing a Lectureship, to be called "The George Alexander Gibson Lectureship." This sum was placed in the hands of the College, to be held in trust for the above purpose. The Lectureship is held triennially.

The Frederick Price Lectureship

This Lectureship was founded in 1938 by Dr Frederick William Price, who placed a sum of £1000 in the hands of the College on trust for the purpose. The fundamental aim of the Founder was that the Lectureship should be in keeping with and a help towards the international prestige of the Edinburgh Medical School.

The Lecture is held triennially and the Lecturer is expected to publish his Lecture within a year of its delivery in a leading British medical publication. In accordance with the wishes of the Founder the Council considers the claims of foreign as well as British authorities.

John Matheson Shaw Bequest

In 1952 the College received the sum of approximately £2000 under the will of John Matheson Shaw Librarian of the College from 1888 to 1903. He had bequeathed this sum to the College subject to certain life charges, and directed that the income should be used for the provision of an annual course of lectures in the College to be known as the Matheson Shaw Lectures. The appointment of the Lecturer who need not be a Fellow of the College is in the hands of the President and Council and is to be made at the February Quarterly Meeting of the College. The lectures, which shall not exceed four in number are to be delivered in the following November. The lectures are not restricted to any particular department of medical sciences, but the subjects are to be chosen with special reference to the interests of general practitioners and students.

Freeland Barbour Fellowship

This Fellowship was founded in 1889 by Dr A. H. Freeland Barbour in memory of his father George Freeland Barbour Esq. of Bonkrid, and was open to licentiates or graduates in Medicine who had conducted original investigations in the Laboratory of the Royal College of Physicians of Edinburgh. The Laboratory of the College was taken over in 1931 by the University of Edinburgh in consequence of the provisions of the National Health Service Act.

The Council have therefore had to enact new regulations and have decided that the Freeland Barbour Fellowship shall be awarded in June in alternate years to medically qualified workers in any Medical Laboratory or Research Department. A preference is to be given to research work in subjects connected with obstetrics and gynaecology. The Council may require the holder of the Fellowship to deliver a lecture on his research work or publish a paper at their expense.

Lister Fellowship

This Fellowship was founded in 1918 by Dr A. H. Freeland Barbour in memory of Lord Lister. It was open to licentiates or graduates in Medicine or Surgery for original research carried out in the Laboratory of the Royal College of Physicians of Edinburgh, a preference being given to research in bacteriology.

The Laboratory of the College was taken over in 1931 by the University of Edinburgh in consequence of the provisions of the National Health Service Act.

The Council have therefore had to enact new regulations and have decided that the Lister Fellowship shall be awarded in June in alternate years to medically qualified workers in any Medical Laboratory or Research Department. A preference is to be given to research work in subjects connected with

bacteriology The Council may require the holder of the Fellowship to deliver a lecture on his research work or publish a paper at their expense.

The Kirk Duncanson Fellowship

In order to commemorate the interest which Dr J J Kirk Duncanson (Fellow 1874-1913) had in the College, his widow Mrs. Isabella Kirk Duncanson, directed her Trustees to hold the whole residue of her estate for the purpose of providing a fund, the income from which to be used for the purpose of providing a Fellowship to be called "The Kirk Duncanson Fellowship for Medical Research." The Fellowship shall be awarded by the Council of the College from time to time, and subject to such conditions and regulations as the Council may appoint. The Trustees of the Fund are the sole judges of the amount of the grant to be made to the Fellowship from time to time.

Parkin Prize

Dr John Parkin, a Fellow of the College, who died in 1884, bequeathed to the College a sum of £1500 to provide a triennial prize for an essay on two aspects of epidemic diseases. As these two particular aspects are no longer in line with current medical concepts the Council is at present actively reviewing the detailed terms of the Bequest.

Dr Alexander Black Bequest

In the year 1923, intimation was received from the Trustees of Miss Anne Louise Black of Castlebank, Cupar of a bequest of £1000 for the purposes of applying "yearly and in perpetuity the proceeds thereof in providing bursaries, or scholarships, or books for the Library or for any other or similar purposes connected with the College, the same to be connected in perpetuity with the name of her brother Dr Alexander Black, a former Fellow of the College, and to be termed the "Dr Alexander Black Bequest."

The Council has decided to apply the annual income to the purchase of special books for the Library to be marked by an appropriate book plate.

Joan Hunter Fund

Under the will of the Rev William Turner Hunter the Council of the College received in 1918 a sum of £500 in trust as a fund to be known as the Joan Hunter Fund. The interest of the fund is to be used for the advancement of research in the treatment of nervous exhaustion—with special reference to the subject of hydrotherapy in relation to psychopathic conditions—by the provision periodically of a Prize for an essay on this subject. The Prize is open to graduates of Edinburgh University and to Licentiates of the Royal Colleges in Edinburgh, with priority to Fellows and Members of the Royal College of Physicians of Edinburgh, other things being equal, and the Prize shall be of the value of fifty pounds (£50) and shall be offered at such intervals as allow the necessary interest to accumulate. Should the essay be of such originality and interest the Council of the College shall at their discretion arrange for publication.

The Hill Pattison-Struthers Bursaries

The Hill Pattison-Struthers bursaries were founded by Dr Thomas Hill Pattison and Dr James Struthers. In 1888 the College received an endowment from Dr Pattison and in 1902 Dr Struthers added to the original endowment a further bequest. The purpose of the endowment was to assist extra mural students of medicine at Edinburgh. The administration of the endowment was at the discretion of the Council of the College. The original scheme approved by the College provided for one bursary in anatomy and physiology and a further bursary in clinical medicine both open to candidates for the Triple Qualification who had studied in Edinburgh. The clinical medicine bursary was an immediate post-graduate award.

With the closure of the Undergraduate School of Medicine of the Royal Colleges suitable candidates for these bursaries ceased to appear. The Council therefore decided that the aims of the donors would be best fulfilled under present conditions by using the income of the fund to assist students who through financial reasons experienced difficulties in attending the Course in Internal Medicine organised by the Edinburgh Post-Graduate Board for Medicine.

Under the revised scheme which comes into operation in 1936 two bursaries of the value of £100 each are awarded annually. Bursars are selected by the Council of the College who are advised by the College representatives on the Post-Graduate Board and by the Director of Post-Graduate Studies. In making the award a preference is given to Licentiates of the College and consideration is given to the need to maintain the international character of the Edinburgh Medical School.

Bursar

William Denny Smith

Wood Bursary

The Wood Bursary is tenable for the period of the undergraduate course in Medicine at Edinburgh University and is at present of the value of £100 a year. The Bursary was founded by Dr Alexander Wood, a Fellow of the College from 1840-1884 and President from 1858-1861 to commemorate his father Dr James Wood and himself. The conditions of the Bursary were modified by the Educational Endowment Commissioners in 1935, but it is still awarded on a competitive examination in Latin, Greek, English and Mathematics as laid down in Dr Wood's will. The Bursary is normally awarded once every six years and a vacancy is advertised as it occurs. Under certain circumstances a bursary may be awarded to a student who has completed part of his medical course.

Bursar

Edith McLeod Lamont

Ambuj Nath Bose Bequest

In 1954 the College received from Lieutenant-Colonel Ambuj Nath Bose, a Fellow of the College, a legacy to provide a prize to be awarded at the discretion of the Council for research in tropical medicine. The prize is to be awarded every second or third year.

James Mackenzie Medal

Mr Daniel McCallum of Stirling bequeathed a sum of money the interest on which was to be used to purchase a Medal to be awarded from time to time at the discretion of the Council of the Royal College of Physicians of Edinburgh. Mr McCallum stipulated that the award was to be made to a doctor engaged in family practice, who in the opinion of the Council had made the most notable contribution to medical science.

1955

William Norman Pickles

Clouston Memorial Trust

The Clouston Memorial Trust was founded in memory of the pioneer work by Sir Thomas Smith Clouston, who was instrumental in promoting a new Neuro-Pathological Laboratory to encourage research work in the Scottish Mental Hospitals.

The Executive Committee of the Scottish Mental Hospitals Laboratories decided at the time of the introduction of the National Health Services (Scotland) Act, 1948 that the future administration of the remaining assets of the Laboratories should be transferred to the Royal College of Physicians of Edinburgh, of which Sir Thomas Smith Clouston had been President. This was done so that the work already accomplished might be perpetuated.

The application of the income of the Trust Fund shall be at the discretion of the President and Council of the Royal College of Physicians in consultation with (i) Professor of Pathology of Edinburgh University (ii) Professor of Psychiatry of Edinburgh University and (iii) Physician Superintendent, Royal Edinburgh Mental Hospital.

The object of the Trust will be to promote interest and research in relation to psychiatric work in any of its aspects.

The President and Council are entitled to accumulate the free income until such time as the funds are adequate and also to receive donations to this Trust.

LIBRARY, RESEARCH LABORATORY, AND MUSEUM OF MATERIA MEDICA

The College Library

The Library of the College is the oldest medical library in Scotland. A few weeks after the foundation of the College in 1681 Sir Robert Sibbald gave to the College some 100 books to be the nucleus of a library. His gift was followed by many others and a system of regular purchases was instituted. Before the end of the seventeenth century a very good collection of the available medical literature had been assembled and the Library had become, what it has been ever since, one of the major activities of the College and the chief burden on its funds.

As a result of its long unbroken history the Library is particularly rich in the early sources of medical knowledge and possesses many rare and some unique books. It contains also over 1000 volumes of manuscripts for the most part connected with the founders of the Edinburgh Medical School.

The number of volumes in the Library is now over 150 000. The Library inherits a remarkable collection of unbroken runs of periodicals and all the important medical works are represented in some edition. At the present time 500 journals are received each year and a selection of the more important monographs is added to the Library. A list of accessions is issued quarterly. The scope of the Library has always been primarily medical. In 1953 agreement was reached with the Royal College of Surgeons whereby Fellows of either College have equal rights and privileges with regard to the libraries of the two Colleges. This has enabled duplication of books and journals to be greatly reduced and a much wider range of medical and surgical literature is now available to the users of either library.

Books are lent to Fellows resident in Great Britain and bibliographical information is supplied to all Fellows. Books are also lent to Libraries and Research Institutions under conditions approved by the Library Committee. As a result of a decision made at the Quarterly Meeting of the College held in May 1953 books can also be lent to registered borrowers who are not Fellows of the College.

Under the conditions of the Sydney Watson Smith Bequest the Library is able to supply persons engaged in research work with photo-copies and translations of medical articles needed for their research.

The Library is open for the loan and return of books from 9 a.m. to 5 p.m. daily and on Saturdays from 9 a.m. till 12.30 p.m. The Chief Librarian will be available for consultation from 9.30 a.m. to 5 p.m. daily and from 9.30 a.m. to 12.30 p.m. on Saturdays.

The Research Laboratory

The control of the Laboratory passed from the College to the University on 1st October 1950, following a decision of the Carnegie Trustees who were the

owners of the property at 3 Forrest Road. Thus there was brought to an end a notable chapter in the history of the College covering a period of sixty years, during which much valuable research work was accomplished and reporting facilities were afforded to very many over the length and breadth of the land. It is satisfactory to record that the premises continue to be used for research purposes and that the Histological Department is remaining at Forrest Road. It is hoped that the latter will be perpetuated under whatever form the Lister Memorial Scheme, to which the College was a generous contributor eventually takes and that its title will be such as will serve to commemorate the long and distinguished record of the Royal College of Physicians in research during the past sixty years. A history of the Laboratory has been compiled by Dr John Ritchie and was published in November 1953. It is available on request to Fellows.

Museum of Materia Medica

The Museum of Materia Medica, formerly kept at the College, was transferred in the year 1896 to the Pharmaceutical Society of Great Britain, 36 York Place, Edinburgh, where it now is. Fellows of the College have free access to consult the Collection at any time and Licentiates of the College and Students of Medicine have access to the Collection on producing an order to that effect signed by any Fellow of the College.

EDINBURGH POST-GRADUATE BOARD FOR MEDICINE, TRIPLE QUALIFICATION, SCHOOL OF MEDICINE OF THE ROYAL COLLEGES

Edinburgh Post Graduate Board for Medicine

The Edinburgh Post-Graduate Board for Medicine now acts as an Advisory Council to the University Court. It is composed of three members from the Royal College of Physicians, three from the Royal College of Surgeons, and three from the University of Edinburgh together with a Chairman who is not a direct representative of the three parent bodies. The College elects each year in July a Fellow to act as a representative of the college for the ensuing three years.

FELLOWSHIP AND MEMBERSHIP OF THE COLLEGE

L—OF THE FELLOWSHIP

1. Annually in January the Secretary shall intimate to all Fellows of the College resident in the United Kingdom that it is their privilege and duty to nominate Members whom they believe worthy to be considered for advancement to the Fellowship.

2. All nominations received shall be examined by a Committee which shall consist of two Fellows selected by the Council from its own number and two Fellows, not being members of the Council, elected for this purpose by the College at the Annual Meeting. The Election shall take place as provided for in Chapter VIII, Law 9. This Committee shall draw up for submission to the Council a reasoned statement of the claims of each candidate.

3. The Council shall be responsible for submitting to the College the names of those Members who, in its opinion, should be elected to the Fellowship. In selecting candidates the Council shall give special attention to qualifications and professional standing, to appointments held and to contributions to literature.

4. When the Council has approved the candidature of a Member the Secretary shall ascertain from him in writing whether he is desirous that his name shall be put forward. At the same time the Secretary shall inform him of the fees payable by a Fellow on election.

5. The names of Members to be proposed for election to the Fellowship shall be intimated in the Bulletin summoning the Quarterly Meeting of the College in July. At this Meeting each Member shall be proposed and seconded by the Secretary and the Treasurer on behalf of the Council, a statement being made in support of each proposal. A price of each statement shall be given in the Bulletin summoning the Meeting at which the ballot for election will take place.

6. The Motion shall be determined by ballot at the next Quarterly Meeting, a majority of three-fourths of those voting being necessary to carry it in the affirmative.

7. Members of the College elected prior to November 30th, 1930, shall remain eligible for election to the Fellowship under the laws then in force.

8. The Council may recommend for election to the Fellowship Medical Graduates or Licentiates of exceptional distinction who are not Members of the College. Not more than four Fellows shall be elected under this law in any one year.

9. Fellows resident within the United Kingdom shall pay the Annual Contribution.

10. Fellows who are resident outwith the United Kingdom shall, while resident in the United Kingdom, have the use of the Library and Reading Room on payment of the Annual Contribution.

11. The Diploma presented by the College to its Ordinary Fellows shall be in the form given in Appendix No. II to the Laws.

12. No Fellow shall refuse to make known, when so required by and in such manner as shall be determined by the President and Council, the nature of any method of treatment which he follows or the composition of any substance which he uses in the practice of his profession.

13. No Fellow shall by himself, co-partners or servants, keep a public Apothecary's, Druggist's or Chemist's shop. No fellow shall dispense medicines for gain except with the permission of the Council.

II.—OF THE MEMBERSHIP

1. Every candidate must hold a qualification in Medicine which is approved by the Council, and no candidate will be admitted to the examination before the expiration of two years from the date of his original qualification in Medicine. In respect of British and Irish licentiates or graduates qualifying after 1st January 1933 the date of original qualification shall mean the date of the original qualification in Medicine by virtue of which the candidate was entitled to provisional registration under the Medical Act, 1930.

2. Every candidate for the Membership examination shall give an undertaking —

- (a) that he does not dispense medicines for gain, either personally or through agents, except for patients under his personal care
- (b) that if he should adopt such practice subsequent to being elected he will surrender his Diploma of Membership
- (c) that if he is elected to the Membership he will obey the Laws governing Members as laid down from time to time by the College.

3. No Member shall refuse to make known, when so required by and in such manner as shall be determined by the President and Council, the nature of any method of treatment which he follows or the composition of any substance which he uses in the practice of his profession.

4. Every candidate for the Membership (except such as shall be admissible under the provisions of paragraph 3) shall be examined in —

- (i) the Principles and Practice of Medicine including Therapeutics
- (ii) a branch of Medicine selected and offered by him and approved by the Council, in which a high standard of proficiency will be expected.

The detailed plan of the examination is given on p. 87

Selected subjects accepted at recent examinations include—

alimentary diseases anaesthesia biochemistry bacteriology cardiology child life and health dermatology diseases of the blood endocrinology forensic medicine infectious diseases; neurology obstetrics medical ophthalmology pathology pharmacology physiology psychiatry public health and social medicine radio-diagnosis radio-therapy respiratory diseases tropical medicine tuberculous venereal diseases.

A candidate may apply to the Council for permission to offer any other branch of medicine as a selected subject.

5. A candidate eligible for the Membership who shall be adjudged to have attained high professional eminence may be exempted by the Council from the whole or any part of the prescribed examination.

6. Application for the Membership must be made through the Secretary who shall transmit to the candidate a copy of the Regulations and Plan of Examination together with a form of Petition and a Schedule of particulars.

7. The candidate shall return the Petition and Schedule duly completed to the Secretary not less than one calendar month before the date of the examination at which he wishes to appear. The Schedule shall be signed by his Proposer and Secondor who must be Fellows of the College. A candidate unable to secure a Proposer and Secondor must submit testimonials of recent date from two well-known members of the profession certifying from personal knowledge as to his professional standing and character. A candidate whose name is not in the British Medical Register must, in addition, submit proof of his original qualification. Each Petition and Schedule must be accompanied by the examination fee of £22. If a candidate is successful in the examination this fee shall be regarded as a portion of the Membership fee.

8. Candidates are admitted to the examination solely at the discretion of the Council.

9. The Board of Examiners shall report the result of the examination to the Council. In the case of each candidate on whom the report is satisfactory the Secretary shall call for payment of the balance of the Membership fee amounting to £20, on receipt of which and on the Council being satisfied, it shall be competent for a Motion to be made at the next Quarterly Meeting of the College for the election of the candidate to the Membership of the College. This Motion shall be determined by ballot at the following Quarterly Meeting of the College.

10. In the event of a candidate failing to satisfy the Examiners he may apply to sit the examination again, in which case his application must comply fully with regulations 6 and 7.

11. The fee to be paid by all candidates who become Members of the College is Forty-two pounds. Of this sum Twenty-two pounds is paid as an examination fee, and is not returnable in the event of failure to satisfy the Board of Examiners. The balance of Twenty pounds is paid by successful candidates prior to their election to the Membership of the College.

12 The Examinations are held quarterly at the beginning of January April, July and October The exact dates for the current year are printed on pages 89-91 Application must be made to the Secretary not less than one calendar month previous to the date of the Examination at which the candidate proposes to appear

III.—OF THE FEES

1 The Fee to be paid by a Candidate for the Membership Examination is Forty Guinea.

2 When a Member is elected to the Fellowship he shall pay Fifty Guinea.

3 Fees payable by Candidates must be lodged with the Treasurer prior to the presentation of proposals or petitions.

Examiners for the Membership of the College are appointed by the Council from time to time, as and when required

Plan of Examination for the Membership

At the beginning of the examination Candidates will be informed as to the times and places of the clinical, practical, and oral examinations

A. *Friday* The Candidate will appear at the College, 9 Queen Street, at 10 a.m., for examination by written questions on Medicine and Therapeutics (4 hours)

B. *Saturday* The Candidate will appear at the College, 9 Queen Street, at 10 a.m., for examination by written questions on his selected subject.

C. *Clinical Examination in Medicine.*

At 9.30 a.m. on the day appointed the Candidate will appear at the ward of the hospital to which he has been directed.

He will carry out a detailed examination of a patient assigned to him and will write a full commentary on the case.

In the course of the morning the Candidate will be submitted to oral examination on methods of diagnosis and treatment in other cases.

The commentary on the major case will be completed before leaving the ward, and when finished should be handed to the Examiner or his representative.

The Candidate shall leave the ward not later than 1 p.m.

D. *Examination on the Selected Subject*

The Candidate will be subjected to a practical or a clinical examination, or both, with reference to the branch of Medicine he has selected, at a place and time intimated to him at the beginning of the examination.

E. *An Oral Examination on his Selected Subject* will be held in the College.

F. *Oral Examination in General Medicine and Therapeutics.*

The Candidate will appear at the College for an oral examination in Medicine and Therapeutics.

Certain minor adjustments of the above Plan may be made as and when circumstances may require.

Examiners for the Licence of the College are appointed by the Council from time to time as and when required.

LICENCE OF THE COLLEGE

Regulations

(Apart from the Triple Qualification which includes the Licence of the College)

1. The College may admit to Examination for its Single Qualification in Medicine any Candidate who possesses a qualification recognised from time to time by the College for the purposes of the examination.

2. Candidates will be required to pass a written and oral Examination before the Examining Board of the College in Medicine, Clinical Medicine Materia Medica, Midwifery Forensic Medicine and Public Health.

3. The Examinations will normally be held on the first Wednesday and succeeding days of every month, except September and October
